

FRV TRAVEL – SAYANG D'AMOUR

Edition 10.2 August – September 2013

VILLA SAYANG D'AMOUR

If you are a fan of grandeur, intricate detailing, palatial bedrooms, indulgent bathing facilities, walking to the beach, having the best restaurants on the doorstep and being waited on by professional and discreet staff then Villa Sayang d'Amour may just be the place to stop your villa search and click book now'.

This is a place where curiosity takes hold with intricate detailing, handmade leather sofas, handmade Moroccan floor tiles, massive bathrooms, a designer kitchen, exquisitely ornate interiors, a rooftop dining room, a media room and as an extra bonus, and for a limited time, a price that can't be beat for a six-bedroom holiday palace anywhere in Bali.

Although there is a gourmet chef on hand to whip up ethereal delights for young and old, the kitchen is such a work of art that budding Master chef contestants will be tempted to spend as much time as possible behind the counter and out of the sun. So, beware! It may cost you time away from the pool.

Being located in Petitenget means that some of the best restaurants in (dare I say it) Asia are literally within easy walking distance. Having the W Retreat and Potato Head as neighbours gives you the (again walking distance) choice to hang out with the movers and shakers and catch the beach club vibe — should the privacy of your palace prove too much.
